Recitation Overview

- ▶ Purpose of recitation is to summarize, review, and extend material covered in class.
There will be occasional quizzes and exam reviews.
- ▶ 5-10 minutes questions about homework or general items.
- ▶ 10-20 minutes individual work time.
During this time I will grade homework and measure attendance.
- ▶ 40-50 minutes group work time.
- ▶ 10-20 minutes discussion and review.
